NEW COAL MINES.

Work Commenced at Dunlap.

Dunlap, Tenn., Sept. 30.—Work was commenced here yesterday on the erection of the Douglas Coal and Coke company's plant. This company owns about 14,000 acres of coal lands just west of here on the Cumberland mountain. They have been prospecting for more than a year on their lands. The mining engineers made a favorable report several months ago. The company has since then been making arrangements to work the mines. The Douglas Coal & Coke company is a Delaware corporation, organized with a capital stock of \$100,000. Most of the stockholders are from Delaware and New York. The engineer is now here in charge of the construction of the incline. Work will be pushed rapidly. Coke ovens will soon be built. When all arrangements are completed the company contemplates an output of 1,000 tons of coal per day. This will open up one of the richest coal fields in the state. The property owned by the company lies between Cupps Creek and Bush creek. They have an outlet either way. For the present the company will work on the south side of their property which is a short distance from Dunlap. The coke ovens will be built at the foot of the mountain one mile from here. The Nashville, Chattanooga & St. Louis railway will build a short line from the road here to the coke ovens and tip.

Important to Mothers.

The manufacturers of Castoria have been compelled to spend hundreds of thousands to familiarize the public with the signature of Chas. H. Fletcher. This has been necessitated by reason of the counterfeiting of the Castoria trademark. This counterfeiting is a crime not only against the proprietors of Castoria, but against the growing generation. All persons should be careful to see that Castoria bears the signature of Chas. H. Fletcher. If they would guard the health of their children, parents and mothers, in particular, ought to carefully examine the Castoria advertisements which have been appearing in this paper, and to remember that the wrapper of every bottle of genuine Castoria bears the facsimile signature of Chas. H. Fletcher, under whose supervision it has been manufactured continuously for over thirty years.—Phila. Bulletin.

Married.

Miss Alta Brown, one of Sequachee's brightest belles, was married in Chattanooga Thursday to Mr. C. Willoughby. In the presence of a number of friends and relatives. They came here on the evening train to pay a visit to the parents of the bride, Mr. and Mrs. Granville Brown, who tendered them a wedding supper. The following guests assembled: Mr. and Mrs. A. G. Chaudoin, Mr. and Mrs. E. F. Haxton, Mrs. S. H. Laster, Messrs. H. E. Tate and Edwin Pryor.

A Night of Terror.

"Awful anxiety was felt for the widow of the late General Burnham of Maclines, Mo., when the doctors said she could not live till morning," writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought she must soon die from pneumonia, but she began to feel better than once saved her life and had cured her of consumption. After three small doses she slept easily all night, and its further use completely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest and Lung diseases. Only 50c and \$1.00. Trial bottles free at W. A. Turner's, Victoria, and all dealers.

Baptized at the River.

A large number of people went up to the river Sunday afternoon to witness baptismal services, but after waiting for two hours for the minister, Rev. W. C. Wheeler, came back. Mr. Wheeler, however, arrived from Looney's Creek soon after they had left, and a messenger was sent to have the applicants return, who were baptized to the number of three.
